PRAYER CHAPEL: We pray that a Desire for all to embrace the prayer chapel and our gift of prayer and intercession before the Lord .

Sunday services: We pray The Holy Spirit will draw the people he wants to come. For God's anointing upon the fellowship, worship and preaching of the Word.. We invite the Lord to begin to stir in our hearts to pray prior to the service to draw each person that enters would encounter God and be refreshed.

Inner Court Worship : Sunday night with **Christen Ball, Galen Crew and Steve Fry.**

We pray as the team leads us into the inner courts of God's Presence an increased sensitivity and awareness of the intimacy of God tenderizes our hearts as we begin to draw closer to Him Sunday night. We pray God will reveal to each one of us things that have prevented us from an inner court intimacy and as they are revealed we quickly release those areas over in complete surrender to the Lord. We pray with a hunger for a deep manifestation of the Presence of God that will corporately quickly remove distractions anointing our eyes to see His Majesty and Glory. We pray for one another ahead of time for a deeper revelation knowledge how we can corporately and individually go from the outer courts into the inner courts with a peace to remain there. God will impart a corporate single focus allowing us to fix our eyes on The King of Kings allowing His Light, Healing and Glory to fill our entire body and we will by faith receive healing for emotional wounds, broken relationships, and sickness.

Franklin Prayer House & King's Hill we pray these two houses of prayer leadership teams are protected, and God continues to establish prayer all over our cities, and homes. That both houses of prayer will see an increase of laborers who are called to stand in the gap lifting the arms of those out in the fields. We take a moment and offer up abundant thanksgiving for God's gifting and leading through **Ryan & Karen Hall, and Barbara and Charles Jeter** for their faithfulness and willingness to establish prayer houses.

Isaiah 30:21 "And thine ears shall hear a word behind thee, saying, This [is] the way, walk ye in it...."

Prayer this Sunday God will open our ears to hear the ways He wants us to walk in, and for the revelation knowledge to be quickened "Christ in us" is the way to walk it out. Pray for The Holy Spirit to really anoint our ears to hear that prayer is not only where we build intimacy with God, but we capture His heart knowing how to pray His Kingdom is established. That The Holy Spirit would draw each and everyone of us more into a place to be ready to be divinely disrupted to pray.
