From PNG to the nations

Youth With a Mission (YWAM) is an international, interdenominational movement of Christians passionate to know God and make him known. We believe that Jesus has called ALL of his disciples, from the western world to the most isolated islands, to fulfill the Great Commission. Through the Oral Bible Translation process, YWAM is in Madang to train and equip missionaries from Papua New Guinea (PNG) to go into the world for the fulfillment of this Great Commission.
